EARTH DAY & ARBOR DAY 2008

When: 25 April, 1000-1500

Where: Lane Hall (bldg 702)

What to Expect: This year's Earth Day & Arbor Day observance will feature a variety of informational exhibits including a wildlife display. Light refreshments will be served.

Exhibitors representing retailers and government organizations will be present throughout the day to discuss environmentally sensitive products and programs.

A **wildlife exhibit** featuring live birds including raptors, endangered species and our national bird, the bald eagle, will be located in a tent adjacent to Lane Hall. 45-minute shows will be at 10:30, 11:45 and 1:00 (times are approximate).

An **osprey nest** viewing station (yes, the ospreys have returned again) will be set-up near the Expo Theater, weather permitting. (directions will be provided at Lane Hall).

Tree Seedlings provided by the NJ Division of Forestry will be distributed to attendees free of charge in observance of Arbor Day.

Fort Monmouth DPW Environmental Branch staff will be present to discuss the post's environmental program, distribute informational materials and discuss the post's environmental program and history.

Contact Kevin Gashlin, DPW Environmental Branch at 532-7068 or at Kevin.Gashlin@mail1.monmouth.army.mil for more information about the event.
